- ▶ Thirty plus years experience in vessel repairs and refitting.

PROFESSIONAL CREDENTIALS:

- National Association of Marine Surveyors - *Certified Marine Surveyor (CMS)*
- Society of Accredited Marine Surveyors - *Accredited Marine Surveyor (AMS®)*
- American Boat & Yacht Council - *Standards Certified Technician*
- American Boat & Yacht Council - *Certified Marine Electrician*
- American Boat & Yacht Council - *Diesel Engine Certified Technician*
- Professional Infrared Training Institute - *Certified Level One Thermographer*
- Uniform Standards of Professional Appraisal Practice (USPAP) Certificate
- American Boat & Yacht Council - *Master Technician*

PROFESSIONAL MEMBERSHIPS:

- ▶ National Association of Marine Surveyors
- ▶ Society of Accredited Marine Surveyors
- ▶ American Boat & Yacht Council
- ▶ International Association of Marine Investigators

PROFESSIONAL EDUCATION & TRAINING:

- Society of Accredited Marine Surveyors (SAMS) Yacht & Small Craft Accreditation Testing. Awarded credentials of "*Accredited Marine Surveyor*" (AMS®)
- American Boat & Yacht Council (ABYC) Recreational & Small Craft Standards Course. Awarded credentials of "*Standards Certified Technician*"
- ABYC Diesel Engine Certification Course. Awarded credentials of "*Certified Diesel Engine Technician*"
- National Association of Marine Surveyors (NAMS) Yacht & Small Craft Certification Testing. Awarded credentials of "*Certified Marine Survey*" (CMS).
- ABYC Marine Electrical Certification Course. Awarded credentials of "*Certified Marine Electrician*"
- Maritime Training Academy UK (MTA) Surveying Wood Boats. Awarded "*Certificate in Surveying Wooden Boats*"

PROFESSIONAL EDUCATION & TRAINING (Cont):

- State University of New York Maritime College Yacht Damage Surveying Course. Awarded "*Certificate in Yacht Damage Surveying*"
- Chapman School of Seamanship Fundamentals of Damage & Claims Surveys Course.
- SAMS/Dixieland Marine Surveying Damage Surveys & Joint Field Surveys Seminar
- Professional Infrared Training Institute Level One Infrared Thermographer Course. Awarded credentials of "*Certified Level One Infrared Thermographer*"
- SAMS Applying Infrared Thermography to Marine Surveying
- MTA Surveying Yacht & Small Craft Systems Course. Awarded "*Certificate in Surveying Yacht & Small Craft Systems*"
- MTA Surveying Yacht & Small Craft Engines Course. Awarded "*Certificate in Surveying Yacht & Small Craft Engines*"
- Gougeon Brothers/West System Epoxy Fiberglass Boat Repair Course. Awarded "*Certificate in Professional Level Fiberglass Boat Repair with Epoxy*"
- ABYC Basic Marine Electrical & Corrosion Mitigation Course.
- Mckissock National 15 Hr USPAP Course
- American Society of Appraisers/SAMS Marine Asset Appraisals Course
- Knox Marine/SAMS Boat Valuations Seminar
- SAMS Sea Trials
- Yanmar/Mastry Engine Center Marine Diesel Engines Course
- SAMS Zeus Pod Propulsion Systems Seminar
- SAMS Common Recreational Marine Diesel Engine Failures Seminar
- Fundamentals of Fiberglass Repair Seminar
- International Boatbuilders' Exhibition (IBEX) SAMS NMEA Standards and System Testing
- International Institute of Marine Surveying UK (IIMS) Surveying Fiber Reinforced Plastic (FRP) Craft Course
- MTA Sails & Rigging Course
- SAMS Sailing Vessel Rigging Seminar
- SAMS Sailing Vessel Rigging Inspections
- SAMS Code of Federal Regulation Seminar
- ABYC Electric Shock Drowning Seminar
- SAMS Forensic Photography Seminar
- SAMS Corrosion Inspections Seminar
- IBEX/Steve D' Antonio Marine Consulting, Inc Steering System Design, Installation, & Inspection Seminar
- IBEX/Government Services Administration Wet Core & Transom Repairs Seminar
- Professional Boatbuilder Magazine Marine Composites (Selecting Composite Materials) Seminar
- ABYC Protecting Laminate Core Material Seminar
- Professional Boatbuilder Magazine Economics of Resin Infusion Seminar
- ABYC Fundamentals of Bonding & Grounding American Boat & Yacht Council
- ABYC/Quality Marine Services, LLC Electrical Inspections for Surveyors Course
- ABYC/IBEX Shore Power Ground Fault Detection Workshop
- ABYC Troubleshooting Dock Wiring & Finding Ac Ground Fault
- National Fire Protection Association (NFPA)/ABYC Assessment of Hazardous Voltage Current in Marinas, Boatyards and Floating Buildings Seminar
- IBEX/Cote Marine (James Cote, BSEE, MBA)/International Marine Consultants (Charles Game, PE) Three Phase Alternating Current Seminar
- SAMS Vessel Bonding/Grounding Seminar
- IBEX/Ace Inamar Insurance Damage Surveys & Claims Investigations Seminar
- ABYC/Quality Marine Services, LLC Electrical Inspections for Surveyors Course Refresher
- SAMS Vessel Lightning Damage Seminar
- SAMS Investigative Surveying of Marine Casualties Seminar
- Boat US/SAMS Insurance Surveys & Claims
- Tampa Bay Mariner's Club (TBMC) Marine Claims Lecture
- TBMC The Marine Claims Process Seminar
- ABYC Marine Accident Investigations Course
- TBMC Claims Process Surveyor's Perspective Seminar
- SAMS Fire/Explosion Investigations Seminar
- SAMS Cargo Theft Seminar
- SAMS Expert Witness Testimony Preparation Seminar
- SAMS Fire Safety Equipment Inspections
- SAMS New USCG Stability Rules Update Seminar

PROFESSIONAL EDUCATION & TRAINING (Cont):

- ABYC Propeller Selection & Sizing Seminar
- SAMS Electric Shock Drowning Seminar
- IBEX/Fleming Marine Composites/Lee Arthur Assessing & Avoiding Structural Secondary Bonding Failure Seminar
- SAMS Subchapter M Inspections Seminar
- SAMS Cruise Ship Surveys Seminar
- SAMS Basic Reefer Cargo Surveying
- IIMS Norsepower Rotor Sails for Shipping
- TBMC Defense's Perspective Personal Injury Claims Seminar
- SAMS The Ten Commandments of Damage Claim Surveys
- TBMC 3D Laser Scanning Documentation in the Marine Environment
- IBEX Nondestructive Testing Perils & Pitfalls
- ABYC Outboard Engine Repower Considerations Seminar
- SAMS/Torpedo Group Electro mobility for Boats Seminar
- Competition Composites, Inc./SAMS Replacement Rudders Seminar
- SAMS Surveying High Performance Boats Seminar
- IIMS Estimating by General Rule Canvas Losses
- ABYC Surveyors/Technician Workshop (Various topics) 2017
- ABYC Marine Training Seminar (Various topics St. Petersburg, FL 2017)
- Global Diving & Salvage/SAMS Working with Marine Salvors Seminar
- ABYC AC Dock Pedestal Testing Seminar
- SAMS Boat Fires: Causes, Prevention, and Inspections
- Society of Naval Architects & Marine Engineers (SNAME) Modern Scantlings (Structure): Calculations, Standards, Details, Materials.

PROFESSIONAL EXPERIENCE:

- ▶ 2004 – Present Taylor Marine Surveying & Consulting, LLC.
Owner, operating manager and principal surveyor. Marine surveying and consultancy company providing a wide range of services including but not limited to pre-purchase surveys and insurance (C&V) surveys, pre-offer inspections, damage surveys, appraisals, project (repair, refit, & new build) oversight, expert witness, litigation support, and consulting.
